To Whom It May Concern:

It is with great pleasure that I recommend Cliff Marshall and the Baldwin Construction team. We have been very fortunate to work with Baldwin recently on the construction of the Aaron Rents in Wilmington, North Carolina. I am please to say that the store was turned-over on time, within budget, and to the owner's total satisfaction.

Baldwin Construction is a top-notch company and Cliff Marshall is very professional and understands the construction process well. Peterson Construction, LLC is happy to give our wholehearted endorsement of Baldwin Construction and look forward to the opportunity of working with them again in the future.

Respectfully,

Bruce F. Peterson
President
